Make sure you bring enough clothes for the week. You'll be working out a lot so you will want quite a few changes of clothes.

This list is not exhaustive, it just covers the basics.

We do however have washing machines in our lodges if you need to clean any clothes during the week.

You may also want to choose some clothes to bring that you are happy to get muddy/wet.

If there is anything you are unsure of, please contact us and we can answer any questions you may have.

We're looking forward to having you stay.
